Dear Julian:

On February 12, 1975 the membership of Black Women Organized for Action unanimously voted to send \$250 from their treasury in support of the defense of Joanne Little.

Please accept the enclosed check as a show of our concern for a sister's case that we hope will set a precedent that will benefit all women who are daily exposed to the threat of forceable rape with no legal sanction to defend themselves.

Our only wish is that we could send more for Ms. Little's defense. We will continue to follow the progress of her defense with hopes that she will be acquitted.

Yours in the struggle,

Valerie Jo Bradley
